ALLEGHANY COUNTY INVITATION FOR BIDS BRUSH GRINDING AT TRANSFER STATION

Contractor must supply grinder capable of grinding 200 cubic yards/hour and the machines necessary to move and load brush. If a tub grinder is used, shields must be in place to keep debris from falling on adjacent interstate. Contractor is solely responsible for any falling debris or damage it may cause. Contractor may grind up to 12 hours. Grinding time does not include moving brush, machines, maintenance or mobilization of equipment. Alleghany County is not responsible for machine damage. Please include costs for two separate quotes. Quote one: grind material and leave on site. If left on site, grinding must be small enough to use as mulch. Quote two: grind material and haul off site. Work must be completed within 60 days of Notice to Proceed. Bids will be accepted until 4:00 pm March 26, 2021. This IFB is being conducted in accordance with Section 2.2-4304, Cooperative Procurement, of the Code of Virginia: "Except for architectural and engineering services a public body may purchase from another public body's contract even if it does not participate in the request for proposal or bid, if the request for proposal or invitation to bid specified that the procurement was being conducted on behalf of other public bodies." This IFB allows other public bodies to procure these services using the lowest responsive and responsible bidder's bid price, without performing their own IFB, should the contractor agree to the public body's request.

Mail bids to Alleghany County Public Works, Attn: Suzie Williams, 9212 Winterberry Ave., Suite A, Covington, VA 24426. Envelopes must be clearly marked "Brush Grinding". Call Transfer Station Superintendent at 540.965.1626 with any questions. Alleghany County reserves the right to refuse any and/or all bids.

Jonathan A. Lanford, County Administrator
