Minutes for 6/9/2021 Alleghany County Electoral Board Provisional Ballot Meeting and Canvas following yesterday's Democratic Primary Election

Attending: John Barnes and Andrew Dreszer with Tiney Rose available to address procedural questions and enter the results of the canvas into VERIS.

John Barnes opened the Provisional Ballot meeting at 11:30 AM. There being no provisional ballots, the board moved on to conduct the canvas. The canvas of the votes for the June 8, 2021 Democratic Primary began with a quick review with the Registrar of the procedures to be followed and forms to be completed. The results from all precincts were verified. During the canvas it was discovered when checking against the zero tapes that two of the handwritten election results numbers at the Dameron Precinct 0103 had mistakenly been transposed on recording. The appropriate corrections were made in consultation with the Registrar. VERIS was updated and required items submitted to ELECT.

On completion of the canvas the election results were certified, and the election results certification checklist completed.

The canvass was closed on a motion by Andy Dreszer and seconded by John Barnes and the meeting was adjourned.

The certified election results along with the voted/counted ballots (Envelopes 3&5) together with the Yellow Printed Return sheet with zero tapes and final results tapes (Envelope 2A), along with envelopes 2A, 2B, 4, and 7 and their contents were then delivered to the Clerk of the Circuit Court of Alleghany County.
